Edward S. Niznik, Superintendent

Dear ACS Families,

This communication serves as reminder if you are traveling for the holidays. Please remember the Travel Advisory protocols from the Department of Health.

Traveling to states adjacent to New York (Connecticut, Pennsylvania, New Jersey, Vermont and Massachusetts). All traveling family members:

- Are not required to undergo a COVID-19 test before leaving the other state;
- Are not required to undergo a COVID-19 test after returning to New York State;
- Are not required to self-quarantine after returning to New York State.

For travelers who were in any non-adjacent state for LESS than 24 hours:

- The travelers do not need a test prior to their departure from the other state and do not need to quarantine upon arrival to New York;
- However, the travelers must fill out the Travel Health Form upon return to New York and take a COVID diagnostic test four days after their arrival in New York.

For travelers who were in any non-adjacent state for MORE than 24 hours:

- Travelers must obtain a test within three days of departure, prior to arrival in New York;
- Travelers must, upon arrival in New York, quarantine for 3 days;
- On day four of quarantine, the traveler must obtain another COVID test. If both tests come back negative, the traveler may exit quarantine early upon receipt of the second negative diagnostic test;
- Must fill out the online Travel Health Form upon return to New York State.

Travel Advisory Information:

<https://coronavirus.health.ny.gov/covid-19-travel-advisory>

Travel Health Form:

New York State Department of Health: 1-888-364-3065

As always thank you for your continued support and understanding. Stay well.

Sincerely,

Edward Niznik
Superintendent of Schools
