ADIRONDACK CENTRAL SCHOOL DISTRICT NEWSLETTER Fall 2022

Update from Kristy McGrath, Superintendent

Hello Adirondack Students, Parents, Staff and Community,

We have had a busy, successful, and fun-filled opening to the 2022-23 school year. As you look through the fall newsletter, you will see many amazing things taking place at Adirondack. I wanted to share with you a few fun and exciting items to get things started.

1. Adirondack staff kicked off the 2022-23 school year with a presentation from Mr.

Hamish Brewer on September 1st. Hamish travels and speaks world-wide, and brought a ton of inspiration and insight to us. He is originally from New Zealand, is currently a doctoral student at Virginia Tech, and is the best-selling author of the book <u>Relentless</u>. Mr. Brewer has proven success, by turning low performing schools into high achieving schools, being named Principal of the Year by many organizations. Relationships and respect are the most critical components of his success. He is known as the tattooed, skateboarding principal. Please

learn more about Hamish at his website: <u>https://hamishbrewer.com/</u>

2. Adirondack's performance and participation in the New York State 3-8 ELA and mathematics exams is a priority for our district. I would like us to celebrate some impressive results, in that over 90% of students participated in these exams, and our highest proficiency was at Boonville Elementary in math grade 5, with 61% of students earning a level 3 or 4. There are many factors to help us evaluate our instructional program, and the state data is helpful and necessary for us to gain this knowledge. Great work!

3. I am so impressed to work with such a quality staff. We have staff members doing amazing things each and every day. I wanted to point out a few highlights:

-Justin Wiedrick is a finalist for the New York State 2022 Presidential Awards for Excellence in Mathematics and Science Teaching. He is down to the final two selected in our entire state for mathematics K-6. We are eagerly awaiting to hear if he is the winner, but either way, we are extremely proud of Justin.

-**Phil Puleo was named Coach of the Year, All Mohawk Valley**. Mr. Puleo teaches High School Physical Education, and he is our Varsity Baseball Coach. Phil led our 2022 baseball team to the state final 4 this spring, and is very deserving of this recognition.

-**Dan Granato** is a Middle/High School Technology Teacher, who was **a Harbor Freight Tools for Schools Prize for Teaching Excellence finalist.** Unfortunately Mr. Granato didn't make the top 20. He was however in the top 50, and was awarded \$1000 to his program. Dan is committed and driven, intends to apply again next year, and we are confident he has a great shot at making the top 20. If chosen in the top 20, this year's prize was \$50,000 (a large portion going to the school/program and a smaller portion going to the teacher).

Finally, attendance matters. I want to stress that if students and staff are sick, we do not want them to attend school. However, we need to get back on track after Covid with emphasizing the importance of good attendance, well-rested students who are on time to school, and a focus on high expectations. Please continue to support us in this partnership!

Agriculture Science Class

In the spirit of the Fall season and in honor of ACS Homecoming, students in Mrs. Sweeney's CASE Ag Science class decided it was time to spruce up the landscaping and flowers around the High School. With the support of Mrs. Smith and Mrs. McGrath, some beautiful fall mums were purchased from Mill Creek Greenhouse. Students transplanted them and placed them around the HS/MS complex, including around the track and grandstand area. Students involved in this project include Lisa Maggiolino, Mathew Bauer, Peter Kanakos, Brooke Crofoot, Raelynne Yelton, Alexis Marmon, Wasyl Hrim, Kaitlyn Spann, Tim Hutchins, and Michael Huxley. We would like to thank Nicole Pitt, the new owner of Mill Creek Nursery for providing us with the beautiful mums.

The committee included Eric Martin, Kent Martin, Paul Fortin, Don Gerling, Stacie Higgins and Dana Charbonneau. This project was one hundred percent funded by donations from the community, businesses and veterans organizations to include the Marine Corps League, VFW, American Legion, Lodging Kit Company, Lake Effect Tech, DR Charbonneau Construction, Boek Tree and Crane, Reddington Concrete and WB Payne Insurance. Phase two will include the garden and monument portions of the project.
